Making Rashi Understandable for Adults and Children

with Steven and Sarah Levy

Join Steven and Sarah Levy as they discuss their new book the *JPS Rashi Discussion Torah Commentary*. Steven, a Gainesville native and attorney, and his wife Sarah, a psychologist, collaborated to produce an engaging book on the weekly Torah reading for use at the Sabbath table, Bible study groups, and Jewish educational settings. Books will be available for purchase and signing.

Praise for *JPS Rashi Discussion Torah Commentary*: "Better than the Rabbi's sermon" (Atlanta Jewish Times); "An engaging invitation to think about...the Torah and its implications for today" (Rabbi Lord Jonathan Sacks).
